Sunday Night News.
Despite the disagreeable weather of
yesterday, large crowds viewed the
tragic Ohio from many points in the
city. The river rose more Saturday
night than for several nights past.

A Man Recommended.
Mayor Lang is in receipt of a let-
ter from the Chicago fire department
recommending Mr. A. C. Sprout, of
that city, for electrical inspector.

**Persons Having Vacant Lots to Dis-
pose of.** Persons having vacant lots to
dispose of, or who wish to sell their
property, are invited to call on
McPherson's drug store, 214 S. Third
street, for a list of the same.

**The Whelan-Boyd case is still on
trial in the circuit court.** Dr. B.
Mickelthwait, of Cincinnati, was
on the witness stand Saturday after-
noon and this morning.

**The Episcopal Guild will meet
with Mrs. Warren M. Gough, 1401
Jefferson street, this evening.** A
guest is requested to represent a song.

**That dreadful cold—that fearful
cough—** It is a danger to your lungs.
Today a bottle of Dr. Bell's Pink
Tar Honey will cure it. Tomorrow
you may take two. This remedy will
cure a deep-seated cold or a serious
cough, but if you let it run much
longer, a doctor or an undertaker
may be required.

Mysterious Death in Ballard.
Rev. Cap. Owen, of the city, has
received intelligence of the mysteri-
ous death of a relative, Elmer Har-
ris, a well known farmer of Ballard
county, near Hicksville. The young
man was found dead in a field near
his home Friday morning by his wife,
who had been alarmed over his
prolonged absence. His prostrate
body was near a spring, and from
its position he was probably stooping
over to get a drink when death
overtook him from heart failure.

COAL, COAL!
Why buy coal that is half dirt and
slag, when you can buy good, clean,
black coal, free of dirt and slag for
2 cents per bushel, spot cash, from
the old and reliable St. Bernard Coal
Co. We also have and always keep
the best 2nd pool Pittsburgh coal.
Never buy the common grades. Also
all sizes of the best Anthracite and
Virginia Semibituminous coal.

Danger Line Reached.
The river is a little above the
danger line, but at the same
time it is a most convenient
stage for W. Y. Noble Agt to
deliver you on thirty minutes
notice a load of the celebrated
Trade Water coal, at 8 cents for
lump and 7 cents for nut. Tele-
phone 254—office 118 North
Third street.

Died in Madison.
Mrs. James E. Jones received a
telegram Saturday evening announcing
the death of her father, Mr.
Glass, at his home in Birmingham,
Ala., where he was a prominent
merchant. The cause of his sudden
demise was heart failure.

Revisited at Metropolis.
Metropolis is being blessed with a
revival spirit. Meetings are con-
ducted by Rev. L. B. Dungan, of
the Baptist faith. The week's meet-
ing, ten conversions and the church
revised.

River Pretty Rough.
The river was very rough today.
A large number of boats with the
loading of the river at the Illinois
Centers, is here.

Clock Needs Fixing.
One hand on the west side of the
Baptist church clock is broken loose
and swings continually to and fro
like a pendulum, with every gust of
wind.

Deafness Cannot Be Cured
by any medicine as they cannot reach
